

**CENTRAL COUNCIL FOR RESEARCH IN AYURVEDIC SCIENCES**

**NOTIFICATION**

This is with reference to placing of details of candidates short-listed for selection and waitlist on the Council's website on 01 August, 2018 based on the written examinations for the posts of Lab Tech, Pharmacist Grade-I and Lab Attendant, held at CARIC, Mumbai on 04 May 2018 inviting doubt/objection, if any to be submitted to the Council within three days from placing of the Notification.

No objection has been received in case of the details for the post of Lab Tech and Lab Attendant. However, in case of 3 unreserved posts of Pharmacist Grade-I, a few objections were received. One of the objections was pertaining to placing a candidate younger by age among two candidates having scored identical marks in the written examination, above in the merit list and the candidate older by age being placed below in the merit list when both candidates have fulfilled the eligibility conditions stipulated to the unreserved post.

The same was examined on the basis of existing rule position and the competent authority has approved for carrying out changes in the merit list to the extent of placing the candidate older by age higher in the merit list and the candidate younger in age lower in the merit among the two candidates having scored identical marks in the written examination. This has resulted in changes in the list of proposed selected candidates and list of wait-listed candidates for the post of Pharmacist Grade-I. The revised list for the said post is placed in the Council's website for information of candidates.

Objections, if any, may please be submitted to this Council within three days of placing of this Notification of the Council's website.

(Rakesh Kumar)  
Administrative Officer (E&R)  
For Director General

25 September, 2018.

**Brief biodata of selected and waitlisted candidates**
