

SCHEME FOR FELLOWSHIPS FOR CONDUCTING Ph. D. PROGRAMMES AND RESEARCH PROJECTS IN AYUSH STREAMS THROUGH RESEARCH COUNCILS UNDER MINISTRY OF AYUSH

INTRODUCTION:

The medicine and practices related to Ayurveda, Yoga Naturopathy, Unani, Siddha and Homoeopathy {AYUSH} is presently seen as an alternative to modern medicine in respect of number of diseases. For some diseases, it has the potential to replace modern medicines. Of late, much thrust has been given to the systems of AYUSH through many initiatives by the Government. A modern approach towards research linked with outcomes is one such initiative being taken by the Ministry. Availability of quality- research manpower is unarguably one of the essential components to achieve this objective.

There are five autonomous Research Councils working under Ministry of AYUSH namely, Central Council for Research in Ayurvedic Sciences{CCRAS}; Central Council for Research in Yoga and Naturopathy{CCRYN}; Central Council for Research in Unani Medicine{CCRUM}; Central Council for Research in Siddha{CCRS}; and Central Council for Research in Homoeopathy{CCRH}. These Councils are engaged in various research, namely, fundamental research, Clinical Research, drug standardization, validation of classical drugs, literary research etc. These researches are conducted under Intra Mural Research programmes, i.e. in-house programme; Extra Mural Research programme or collaborative programmes. There are 82 institutes under these Councils across the country. These Research Councils require manpower for their own organization. It may also help other organizations to conduct their programmes through provision of fellowships to suitable scholars for pursuing Ph.D. programmes.
