F. No. 6-51/2015/NADRI/BNG/IMR/AYUSH DDM/70

Date: 17-04-2018

**CORRIGENDUM**

This is for information of all the bidders that following amendments/Prebid Response/Corrigendum are being made in tender documents for selection of bidders for Outsourcing of laboratory investigations for two multicentric collaborative clinical projects evaluating Ayurvedic Coded drug in Pre-Diabetes and Type 2 Diabetes Mellitus.

The bidders are advised to take into account the following amendments/Prebid Response/Corrigendum before submission of their bids against this tender. If any bidder has already submitted his/her bid, then he/she should resubmit his/her bid taking into account following amendments/Prebid Response/Corrigendum. For convenience and clarity, the revised Tender documents including the formats are being uploaded on the website <http://www.ccras.nic.in/>

**1. Subject:** Pre-bid meeting for addressing clarifications from the laboratories in respect of outsourcing laboratory Services to NABL accredited laboratories for the collaborative Clinical Research Projects.

**2. References**

1. Tender Reference Number: 6-51/2015/NADRI/BNG/IMR/AYUSH DDM/07 Dt. 03.04.2014
2. Tender ID (at Govt. e publishing system Govt. of India): 2018\_AYUSH\_308673\_1
3. Advertisement in Times of India Dated 04.04.2018

**3. Projects**

1. **Project -1** A Randomized Placebo Controlled Prospective Phase II Clinical Study of an Ayurvedic Coded Drug AYUSH D on Glycemic Control in Prediabetic Subjects.
2. Project- 2: A Randomised Placebo Controlled Phase-II Clinical Study of an Ayurvedic Coded Drug AYUSH – D in the Management of Type 2-Diabetes Mellitus as add on Therapy to Metformin.

**Table 1. Enumerating the queries, responses and decision taken in the prebid meeting**

<b>SN</b>	<b>Query by all representatives</b>	<b>Tender content</b>	<b>Clarification by RARIMD</b>	<b>Decision taken</b>
1	Whether Plasma Insulin is necessary or Serum Insulin	Schedule of requirements (2.2.1.3 & 2.2.2.3)	Plasma Insulin is necessary as it is used to calculate HOMA IR	Therefore the laboratories are advised to do the Plasma Insulin test and not serum insulin
2	Whether Urine Pregnancy Test is to be done by Rapid card method or ELISA (Beta HCG)	Schedule of requirements (2.2.1.3 & 2.2.2.3)	Urine Pregnancy Test can be done by Rapid card method as it is required only to rule out pregnancy during screening.	It was agreed by the laboratories to use standard Rapid card method to conduct urine pregnancy test
3	It is not possible to arrange for Phlebotomy at all the sites by the laboratory	4. Terms and conditions	Attempts will be done to collect and store the sample by the qualified personnel at all the sites.	The laboratories are willing to train the personnel for conducting the phlebotomy, and storage of the sample. The required sample storage equipments will be provided by the laboratory
4	How to quote for transportation of the samples from all sites to the centrally located NABL accredited laboratory	5.3 Table 2	It is better to quote for the transportation of one box per day per site that can accommodate minimum five samples. This amount will be added to the sum of all unit prices of all investigations per subject during screening while considering the lowest quote	It was decided to provide a revised format for price bid quotation (Annexure 1) in the corrigendum
5	In how much time the reports have to be provided (Turn Over time)	4. Terms and conditions	The reports have to be provided within 48 hours after the collection of the sample	It was decided to add this in the corrigendum
6.	EMD and Tender fee please clarify	4. Terms and conditions	EMD and tender fee should be given in separate Demand drafts or Bank Guarantee	clarified
7.	Terms of payment please clarify	4. Terms and conditions	Payment will be done on monthly basis by each respective site based on the invoice provided	clarified

**Table 2. Amendments to the tender document**

<b>SN</b>	<b>Tender document content</b>	<b>Amendments</b>
1	Schedule of requirements (2.2.1.3 & 2.2.2.3)	Plasma Insulin test is required and not serum insulin as it is necessary to calculate HOMA IR.
2	Schedule of requirements (2.2.1.3 & 2.2.2.3)	It was agreed by the laboratories to use standard Rapid card method to conduct urine pregnancy test, as it is required only to rule out pregnancy during screening.
3	4. Terms and conditions	The laboratories will train the personnel for conducting the phlebotomy, and storage of the sample. The required sample storage equipments will be provided by the laboratory.
4	5.3 Table 2	It was decided to provide a revised format for price bid quotation (Annexure 1) in the corrigendum to quote for the transportation of one box per day per site that can accommodate minimum five samples.
5	4. Terms and conditions	The reports have to be provided within 48 hours after the collection of the sample.

**Annexure -1 proforma for Quotation of Price Bid**

SN	Name of the Investigation	Price/Sample	GST	Total Price
1	12 lead Electrocardiogram			
2	HbA1c levels			
3	Plasma Insulin			
4	Fasting blood glucose			
5	Post-prandial blood glucose			
6	Lipid profile (TC, HDL, LDL, VLDL and triglycerides)			
7	<u>Liver Function tests</u> <ul style="list-style-type: none"> <li>• Total protein</li> <li>• Albumin</li> <li>• Total bilirubin</li> <li>• Direct bilirubin</li> <li>• Total Protein</li> <li>• Albumin</li> <li>• SGPT/ALT</li> <li>• SGOT/AST</li> <li>• Alkaline phosphatase</li> </ul>			
8	<u>Renal Function tests</u> <ul style="list-style-type: none"> <li>• Blood Urea Nitrogen (BUN)</li> <li>• Serum Creatinine</li> <li>• Serum Uric Acid</li> </ul>			
9	Hemogram <ul style="list-style-type: none"> <li>• Hemoglobin</li> <li>• Red Blood Cell count (RBC)</li> <li>• White Blood Cell count (WBC)</li> <li>• Neutrophils</li> <li>• Lymphocytes</li> <li>• Monocytes</li> <li>• Basophils</li> <li>• Eosinophils</li> <li>• ESR</li> <li>• Platelet count</li> </ul>			
10	Biochemistry			
11	Routine Urine analysis			
12	Urine Microscopy			
13	Urine Pregnancy Test			
<b>Total cost for Investigations/subject</b>				
<b>Logistic Charges (Max 5 subjects) /Box/Day/Site</b>				
<b>Grand Total</b>
