

## Contribution to the Botanical Identity of Ayurvedic Drug *Tinduka* with Special Reference to *Vistainduka*

Gyanendra Pandey\*

Received on 27th June, 1980

*The study of Ayurvedic drug Tinduka with special reference to Visatinduka was undertaken. The detailed review of literature and field data has been made. Mainly Diospyrus melanoxylon and D. pergerina have been confirmed as a common botanical source for Tinduka.*
