

## **SOME MEDICINAL PTERIDOPHYTES FROM THE DISTRICT LOWER SUBANSIRI AND PAPUMPARE (ARUNACHAL PRADESH)**

**Rama Shankar<sup>1</sup>, M.S. Rawat<sup>2</sup>, and V.K. Singh<sup>3</sup>**

**Received on 4.6.1993**

*Like angiosperms, pteridophytes are also used in different ways as medicinal plants by local inhabitants in different parts of the country. The paper deals with the medicinal uses of pteridophytes growing in the Districts of Lower Subansiri and Papumpare, their distinguishing features, and uses from folklores of the above areas as well as the records available .*
