

**RARE FOLK MEDICINES PRACTICED BY GOND  
TRIBES OF WADSA FOREST DIVISION,  
GADCHIROLI DISTRICT  
(MAHARASTRA STATE)**

**P.D. Badhe<sup>1</sup>, B.N. Sharma<sup>2</sup>, L.K. Sharma<sup>3</sup> and V.K. Pande<sup>4</sup>**

**(Received on 4.9.95)**

*The rare folk medicines practiced by Gond Tribes of Wadsa Forest Division of North-Chandrapur Forest Circle (Gadchiroli district), have been collected during the survey of medicinal plants. Out of the 35 folk-medical claims collected only rare ones have been discussed and the method of use of the medicinal plants have been presented in the article.*
