

HIGH PERFORMANCE THIN LAYER CHROM. TOGRAPHIC FINGER PRINT PARAMETERS OF *TRIKATUKUC CURANAM*

A. Saraswathy¹, Joy Suganthan² and Sushan Thomas³

(Received on 16-3-99)

Trikatukuc curanam was prepared in laboratory scale for developing HPTLC finger print parameters. The physico-chemical data and HPTLC finger printing profile may be utilised for laying down pharmacopoeial standards for the drug Trikatukuc curanam.
