

## **CHEMICAL EVALUATION OF *TRIPHALA GUGGULU***

**A. Saraswathy<sup>1</sup>, N. Meenakshi<sup>2</sup>, S. Rukmani<sup>3</sup>, V. Pappa<sup>4</sup> and M.M. Alam<sup>5</sup>**

**(Received on 28.10.1999)**

*Triphala guggula an important Ayurvedic formulation was prepared on laboratory scale with authentic ingredients and was chemically analysed to lay down standards. The ingredients, the crude and purified guggulu were also analysed. The analytical data and HPTLC finger printing parameters evolved can be used to lay down standards.*
