The particulars of the institution, functions and duties**About the Institute**

Regional Ayurveda Research Institute (RARI), Itanagar, Arunachal Pradesh was established in 1979 and presently it is situated near Mithun Gate and Zero point of Itanagar and is functioning in its own building. The institute has major activities related to the Outpatient Department (OPD) and the Survey of Medicinal Plants Unit (SMPU). The OPD services were started in 1980 and presently offer treatment for different ailments focusing on non-communicable diseases. In addition, the institute undertakes various clinical projects to evaluate the efficacy of Ayurvedic formulations in various disease conditions in patients seeking Ayurveda treatment. Presently services like Ayurvedic consultation and available Ayurvedic medicines are provided free of cost to all patients who attended the OPD. OPD is attached with biochemistry and pathological laboratory which performs laboratory investigations at govt. approved prices and there is provision of discount for BPL and elderly patients on production of relevant documents. The SMPU section of the institute focuses on conducting of Medico Ethno Botanical surveys (MEBS) and documenting the Local Health Traditions (LHT's) and Ethno Medico Practices (EMPs) of tribal communities of the North-East region. This institute has a Medicinal Plants Garden developed in 32508 sq.mt of land to cultivate and conserve medicinal plants of Ayurvedic importance. Various projects have been undertaken and were successfully completed related to medicinal plants research.

This Institute has its own Institutional Ethical Committee in order to get approvals for conducting various clinical research projects time to time allocated by the Council (CCRAS).

Major Activities of the institute:

1. Health care facilities to the patients through OPD and clinical Research for disease profiling among patients seeking Ayurveda treatment.
2. Research oriented public Health care services through Ayurvedic Health Centers in Arunachal Pradesh under North East Health Care Program, an outreach activity of CCRAS.
3. Medico-Ethno Botanical Research:
 - (i) Conducting Medico Ethno Botanical Surveys and documenting LHT's and EMP's of tribal communities.
 - (ii) Demonstrative medicinal plant garden
 - (iii) Collection and conservation of important medicinal plants.
 - (iv) Collecting and supplying taxonomically authenticated crude drugs to CCRAS peripheral institutes for research.
 - (v) Cultivation of economically important medicinal plants and supply to CCRAS peripheral institutes for research and preparation of Ayurvedic formulations.

4. Any other assignment of National importance related to Research & Development in Ayurveda like, National Ayurveda Day, Ayush for Immunity Campaign, Poshan Maha, etc.
5. Observance of International Day of Yoga, Vigilance Awareness Week, Hindi Workshops, Hindi Pakhwada, Azadi ka Amrut Mahotsav, Constitutional Day, Swachha Pakhwada, Fire Safety Week etc.

Resource generation

Resources are generated regularly from the patients through OPD, Laboratory & sale of CCRAS and Ministry of AYUSH publications / books through Library section, plant saplings through SMPU section and the amount collected are send to the Council regularly.
